Section B: Aggregate Information

THIS IS REQUIRED INFORMATION that is to be provided on a statewide basis as it relates to the submitting individual carrier associated with this data submission. Please review your data template carefully prior to submission.
 All validation check indicators must read "TRUE" for a successful submission.
 If you need additional assistance, please contact the Office via email at: DisasterReporting@fldfs.com

As used in this section and as this template may be applied to Hurricane/Tropical Storm reporting, "EVENT" means a storm system that has been declared by the National Hurricane Center of the National Weather Service. The duration of the "reporting event" includes the time period, in Florida:

- Beginning at the time a storm watch or storm warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service;
- Continuing for the time period during which the storm conditions exist anywhere in Florida; and
- Ending 72 hours following the termination of the last storm watch or storm warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.
