| Authority | | | | | |
| The State of Florida, Department of Children and Families, by authority in Chapter 20, 216, 393 and 402, F.S., administers state funds appropriated by the Florida State Legislature. A written agreement is executed by the grantee and approved by the department as to intent, form and legality. In the event of a breach or termination of agreement, the grantee agrees to pay all costs of collection of monies due to the department. Any real property purchased with funds is subject to a lien in favor of the State of Florida. Districts monitor performance of agreement to ensure that the interests of the state are well represented. | | | | | |
